You could be one of them, who has faced considerable challenges and adversities while giving, delivering, discharging, serving and contributing all that you wanted to and wished for. This happened probably because of the association of adversities with growth. Every time you thought of or desired growth, you inadvertently invited adversities. SHORT EXPLANATION

For whatever reason, if you believe that the tightrope walking enhances your or your loved ones' performance and growth, you will keep manifesting a situation for yourself or others accordingly. You will give very little buffer time to others. You will give very little flexibility in Money/Matter matters or highly unpredictable temperamental treatment, which could make them constantly stressed out about their next move. Within this kind of approach, you may manifest a better performance to begin with. However, in the long run, there is a possibility of experiencing a burnt out feeling and you will not get the desired output or performance from 'self' or others.

You certainly deserve to remain open to receive with total dignity. You can intend, invite and manifest dignity from others when you will start treating yourself with the dignity that you deserve.

Birthdate 17

BR7 - RIGHT COMFORT CRUISE CHAKRA

AFFIRMATION

I intend and invite enough buffers and reserves of resources to enjoy a relaxed life.

SHORT EXPLANATION

It appears that you have got used to or addicted to the 'high' experienced by a tightrope walk to manage your resources in a stressful manner where you can not have room for taking life easy even for a few moments during your day. The example of tightrope walking could be in finance management where you have just enough funds to cope up with the expenses in a timely manner OR time management, where you have just enough time to cope up with your commitments. Tightrope walking certainly helps

you in a huge ego kick of being able to manage with precarious availability of resources and sailing through a challenging time on an ongoing basis. However, do you really need that kind of environment and difficulty in resource management to prove to yourself or others how efficient you are? Don't you think you can enjoy a comfortable cruise on highway called life?

Surrendering with full faith in the higher consciousness can assist you in putting your best foot forward to enhance intimacy in some of the relationships or to attract right intimate relationships. (Here the relationship may imply relationship with self, fellow beings, pets, nature, residence, objects, money, organisation etc.)

BLR5 - RIGHT EMOTIONAL HURT RELEASE CHAKRA

AFFIRMATION

I recognise and resolve my stored emotional hurts.

Rage is a severe and often a destructive form of anger. You are aware of the destructive tendency of rage and you may suppress or store rage knowingly or unknowingly. Explore the possibility of ill effects of stored rage against self/others/metaphysical elements arising out of extreme frustration due to unmet expectations. Your social conditioning or fair consideration for others, may not allow you to express your anger adequately. How about mastering the art of detached and neutral observation so that you recognise and resolve your stored rage.

Birthdate 27

PR11 - RIGHT DIGNITY CHAKRA-

AFFIRMATION

I invite others to treat me with due dignity that I deserve.

SHORT EXPLANATION

You deserve to be treated with dignity. You simply need to intend and invite others to treat you with dignity. Birthdate 28

BL10 - LEFT MOTIVATION TO MOVE FORWARD CHAKRA

AFFIRMATION

I motivate myself and others to move forward.

SHORT EXPLANATION

Stagnation is not encouraged in life. You have to be on the move all the time. Evolution is the norm. You move or evolve with inspiration, desperation or conspiracy. What do you choose for yourself? If you remain connected to your inner guidance, you move forward with inspiration. If you fail to recognise and follow your inner guidance, you may move due to desperation, need or circumstances. If you are directing others you are merely playing a role of a director. However, there is a greater brilliance which is guiding, directing or leading others through you. Remaining aware of this will save you from being egoistic about your role play and the resultant human emotions and reactions.

Birthdate 30

FLL10 - LEFT HUMBLE ACCEPTANCE OF SHORTCOMING CHAKRA-

AFFIRMATION

I continue to recognize and constructively address my shortcomings.

SHORT EXPLANATION

If you are lacking persistence or if you are thinking of withdrawing, please ensure that you are not withdrawing due to your ego/pride/righteousness. Your ego, pride and/or righteousness could be masking your shortcomings, inadequacies or feeling of being wronged in the past. Continue embracing that part of you which is not easily acceptable to you. It is ok to feel inadequate; it is alright to feel incompetent; it is alright to be wrong at times. All these experiences could be the matter of the past. By defending that part of you, overcompensating that part of you, you could be inhibiting yourself from moving on and moving forward in life.
